Sorcery:**2 Point**

You gain the Sorcery from your National bloodline. If you purchase this advantage after Hero Creation, you may only do so with a Hero Story.

Sorcery:**2 Point**

You gain the Sorcery from your National bloodline. If you purchase this advantage af-

ter Hero Creation, you may only do so with a Hero Story.

Note: You may have noticed that Sorcery is listed twice in several Backgrounds such as Knight Errant or Hexe. This isn't a typo! Unlike most other Advantages you may select Sorcery more than once, gaining additional or stronger abilities as a result of your continued study in the magical arts.

Cast Iron Stomach:**1 Point**

Spoiled or raw food never negatively affects you, and you still gain required sustenance from it.

1.1.8 Step 0. 20 Questions

These are 20 Questions as stated in the 7th *Sea Core Rulebook: 2nd Edition*.

1. What Nation is your Hero From?

Eisen

2. How would you physically describe your Hero?

Height of 172 cm, with broad shoulders. Female. Blond long hair, in two plaits. Green Eyes. Broad hips.

Heavy cotton dress in forest green, with large iron buttons.

Bloomers, chemise of light cotton worn under dress.

- Often does not know actions to take when power dynamics are in play, even when they can tell who is in the wrong.

6. What are your Hero's most and least favourite things?

- Loves: A cup of hot infused herbs with two slices of bread.
- Hates: Mud, mud, mud and more mud. Not hates hates, but long wet muddy seasons lesson enjoyment of life.

7. What about your Hero's psychology?

Likes to think before acting. Does not like to rush in without decent knowledge, but is

aware that planing can get in the way of acting.

Always likes to take a break before deciding on some unexpected thing.

Likes planning the day, and reviewing the day at the beginning of and end of the day.

8. What is your Hero's single greatest fear?

That Eisen will not recover from the War of the Cross, and that the Horrors and the internal conflict, if not resolved will lend to further deterioration of the conditions in Eisen.

9. What are your Hero's greatest ambitions?

What are her loves?

Dedicated to forming unity in conflicts rather than finding who is right or wrong.

10. What is your Hero's opinion of his country?

It was beautiful, fertile, and wonderful. The War and Horrors have split it's people and destroyed it's lands. The country can be brought to gory again, if they can find a way to bring themselves back together.

She never gives up hope of a return to glory. Perhaps a different glory but a glory none the less.

11. Does your Hero have any prejudices?

She does not hate any group, but she gets very frustrated with those who refuse to work

Loyalty lies in finding unity. Unity is a grand goal for her.

Was born in Wirsche, and has the family name of Träge. Lives in Heilgrund.

15. How would your Hero's parent's describe them?

The Hero's parents are proud of her, and feel that she honours them. They hope that she

will return when she has found the end to her questing.

Her father hopes that she will bring unity to Eisen.

Her mother hopes that she will return to the farm, and grow the family.

16. Is your Hero a gentle?

???? is sort of, but feels that rank is meaningless, and wealth is meaningless. She believes that values comes from deeds.

???? honours all until they prove unworthy, though is suspicious of the aristocrats and the Vaticine.

???? is distrustful of those who hold power.

17. How religious is your Hero? What sect of the Church does she follow?

Technically an objectionist and believe in freedom of religion, but feels most of the religious debate is utter bonkers, and may say so from time to time.

???? tends to sit on the outside of formal society, and is not a member of any of these.

19. What does your Hero think of Sorcery?

Sorcery is a very powerful and useful tool which has a high chance of becoming corrupted power.

20. If you could, what advice would you give your Hero?

Learn to lay back and enjoy life, and grab those things which have meaning, and don't get caught up in the little things where people are just confusing.
